NOTICE: Upon notification by the town that permit application has been approved, the applicant shall submit payment to the town for all permit fees for which approval has been received prior to permit application expiration. All permit application shall expire six (6) months from the date the application was submitted. Notification shall be given by any means reasonably calculated by the town to provide the applicant with notice that the applicants permit may be issued and may include notice by telephone, facsimile, e-mail or through the U.S. mail. The applicant shall promptly advise the town of any changes that would limit or otherwise hinder the town in contacting the applicant.

Upon payment of all permit fees, permit shall be valid for one year from the date the permit is issued.

(i) A six month extension, from the expiration date of the initial permit may be granted at 50% of the original building permit cost to the applicant by written request.

(ii) If the building permit issued has not been inspected and finalized by the building inspector or his designee within one year and six months of the original issue date, the town shall require a new application including the payment of

any building permit fees at the current cost at the time of the new application.
