Guidelines for Residential Recreational Burning Only

All sites must be inspected and approved by
Darrel Reed, Fire Chief for the Town of Concrete.

For questions call 360-391-2588

\$22.00 Fee per Inspection

Recreational fire pits are only allowed in the residential zone.

1. Size 2ft in diameter, NO LARGER
2. Sides 16" high min. made of masonry block, rock or metal
3. Clearance from structures, buildings, fences, etc. is 25ft
4. 15ft clearance MINIMUM from trees or power lines
5. Must have charged garden hose, shovel, and rake immediately on hand
6. There must be a person 16 years or older on site and able to call 911 at all times
7. Fire must not be left unattended, or it must be extinguished
8. Must burn only firewood or charcoal. No limbs, leaves or the like
9. Smoke or ash may not impact your neighbors, or it MUST be extinguished immediately
10. NO burning during burn bans
11. NO burning if wind is 7mph or higher
12. There must be a cleared area around fire of at LEAST 10ft

I have read and agree to the above guidelines. I understand that this agreement can be revoked at anytime by the Fire Chief of the Town of Concrete. All sites must be inspected annually.
