

- **After crews have removed your debris pile, clear away any remaining branches, needles or debris.**
- **If you are keeping your chips, they must be placed on your property and removed from any right-of-way, sidewalk or any other town or private property not belonging to you.**
- **Do not stack debris piles near hydrants or utilities.**
- **Ensure there are no vehicles or other objects blocking access to the debris pile/s.**

**For further information or to schedule your appointment please call  
360.853.8401**

This institution is an equal opportunity provider, and employer and does not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations.

This service is to provide an alternative to burning to those residents living within the town limits of Town of Concrete or within the Urban Growth Area of Town of Concrete.

This service is for residential properties only, and is not intended for commercial or land-clearing use.

# TOWN OF CONCRETE MOBILE RESIDENTIAL CHIPPING SERVICES

**TEL: 360.853.8401**

## MOBILE CHIPPING GUIDELINES

The Town of Concrete will offer mobile chipping services on the second and fourth Thursdays of each month as weather and, work load allows.

The cost for this service shall be:

- \$24.20—For in Town Limits—per resident, per appointment.
  - \$30.25—For in UGA—per resident, per appointment.
  - Additional Fees may apply to pile sizes exceeding 4X4X8
- All fees must be paid prior to your appointment date.

To schedule Town of Concrete mobile chipping services, please call 360.853.8401.

You will need to provide:

- Name
- Address (must be located within town limits or the Urban Growth Area)
- Contact phone number

Tell us if you wish to keep the chips or if you want them to be hauled away. If you wish to keep the chips, they will be placed as near as possible to the debris pile being chipped.

Your debris pile must be placed at the beginning of the main entrance to your property so that it is readily accessible for the PW Department.

Branch and limb size should not exceed 6 inches in diameter.

## MOBILE CHIPPING GUIDELINES

### Items to be chipped must be limbs or branches ONLY!

All wood and yard debris that include blackberries, treated or untreated lumber, processed wood, dirt, rocks, stumps, grass, leaves, briars, shrubs with thorns, nails, screws, landscaping material, metal, concrete, noxious weeds, bamboo or ivy will not be chipped. It will be the duty of the resident to ensure that none of the items stated for non-chipping are included in the pile or the pile will be left and become the responsibility of the resident to haul and/or remove.

Limbs and Branches should be stacked neatly, facing the road/access point and within 6ft of the road/access point but not in the road. Jumbled and disorganized piles are difficult and time consuming and may be left to the responsibility of the owner.
