Old Business

1. Brochure – everyone likes it

Discussion on getting a picture for brochure – talk to Church in Sedro – Old Presbyterian church in Concrete

Steph will talk to Presbyterian

PJ would like to get a picture of Silos – Steph said we need to ask Council

Pictures before and after all Baker Club house = Suzanne would talk to them

And a picture of the schoolhouse

We need to show them a picture of the plaque for adopt a spot

Andreea can order

We only have the theater, state & bridge

Steph suggested the Superior bldg. – who do we work with there?

2. Registration and Plaque

PJ suggested that one of us sit down with them and help them fill it out

Because the forms can be very intimidating, we discussed revising the form

Remove the UTM references still send to Michelle

We should focus on town of concrete not state and national

Took a picture of the plaque so we can look at it and revise

Remove upper part of plaque to make it smaller and remove the QR code and just have it on the business plaques

It should say what other towns say Town Color should be Green of Concrete register of historic places and year built for homes

For businesses, same with a QR code

Plus a stick on QR code

Asked Andrea for size and pricing of plaques

Skagit signs Tina Asp

Suzanne will do some mockups

Town web site – we have a page with HPLC minutes add a picture of the two plaques and picture of the brochure

Discussion on how to get a QR codes made

New business

Grant for survey – PJ will reach out to Michelle to see how to get the grant and talk to the people to get them on the registry

Need to get some people to say it's not so controlling as people think
